Craigtoun Country Park Kitchen and Café

Course overview

We provide hospitality courses run in our purpose-built, state of the art kitchen and café area. Flexible entry dates leading to a variety of opportunities and qualifications. Courses are aimed towards learners with ASN and delivered in a friendly, encouraging environment allowing everyone to flourish at their own pace. We will be delivering courses on the following topics that service users can benefit from, leading to further learning on the course and possible employment.

- Food hygiene
- Health and Safety in Hospitality
- Core skills – Communication, numeracy, working with others, Problem solving
- CV writing

The service users will participate in many different activities, including the following.

- Making sandwiches and salads
- Making traybakes
- Making soups and hot food
- Working on the pot wash and ensuring kitchen hygiene
- Working on the counter service and processing payments on the EPOS
- Making and serving hot drinks
- Working front of house serving customers

Our learning environment.

We have a commercial working environment that will introduce the clients to an employment environment
