Supporting the people of Fife together

SMALL SPARKS

EAST FIFE

Small Sparks is a small grants programme (up to £250) that helps people to do new and exciting things in their community.

People have great ideas and mostly they don't cost very much money. They just need a little spark, a little support and then – stand well back!

COMMUNITY!

If you live in East Fife and have a fun and interesting idea that will involve others and make your community a better place to live, learn, work or play, then we'd love to hear from you.
